MONARCH LIFE INSURANCE COMPANY, Springfield, Massachusetts

MONARCH LIFE INSURANCE COMPANY

Home Office: 365 State Street

The Monarch Life Insurance Company, Incorporated in 1901, is one of America's pioneer companies writing Non-cancellable Health and Accident insurance. While its writings of Participating Life insurance commenced in recent years, the growth of its Life insurance in force has been rapid and in many respects has paralleled the course of the Health and Accident business.

Today Monarch's Non-cancellable Health and Accident and Participating Life policies rank among the leaders in their respective fields.

SPRINGFIELD NUMERICAL DIRECTORY

EXPLANATORY NOTES

The streets are arranged alphabetically with their descriptions, each description followed by a numerical arrangement of householders, places of business and street intersections. (Arranged by rotation where no numbers have been assigned.)

The abbreviation "r" between the street number and the name signifies "rear."

The word "vacant" after a number signifies that the house, office or store at that number was vacant when canvass was made.

△Indicates telephone at this number.

"Right odd" after street description indicates odd numbers on right side of street.

The symbol Ⓞ following a householder's name indicates that information has been secured during the canvass that the house is owned by some member of the family, but as the publishers cannot and do not guarantee the correctness of the information furnished, nor the complete absence of mistakes no responsibility for errors can be or is assumed, nor can the publishers furnish further information than that shown.
